   - **(a)** who holds an Eligible Product and:
     - **(i)** the policy for that Eligible Product is active and financial and not in arrears; and
     - **(i)** meets the criteria for recognition (set out in clauses 6 – 10 below) under HCF Thank You as an Opal, Emerald, Ruby or Diamond Membership Tier.
6. HCF members will not be eligible to access HCF Thank You if they only hold Overseas Visitors Health Cover. However, if such HCF members subsequently take up an Eligible Product, they will have their HCF membership tenure on their Overseas Visitors Health Cover product recognised for the purposes of calculating their HCF Thank You Membership Tier and gain access to HCF Thank You.
7. If an Eligible Member on a specific policy leaves the policy and establishes their own policy within 90 days, they will retain the Membership Tier of their previous policy. For example, if a teenager is covered under their parent's policy with Diamond tier status, and they leave that policy to immediately establish their own policy with an Eligible Product, they will retain Diamond tier status on their new policy.
8. If the primary policy holder dies, any other Eligible Members on that policy will inherit the same Membership Tier as the primary policy holder, even if they move to another existing or new policy, as long as they remain on an Eligible Product.
9. If existing Eligible Members combine their policies into one, the highest Membership Tier from the Eligible Members will be assigned to each them, even if the primary policy holder is only otherwise eligible for a lower tier.
10. An Eligible Member who:

    - **(b)** (a) The Corporate Care Ruby Entitlement takes effect from the date on which the Eligible Member's Corporate Care product becomes active and financial. The Corporate Care Ruby Entitlement does not alter the requirement to have at least 25 years' tenure to be eligible for the Diamond Membership Tier.
    - **(c)** (b) If an Eligible Member who holds a Corporate Care Ruby Entitlement ceases to hold a Corporate Care product (including by transferring to a non-Corporate Care Eligible Product), the Corporate Care Ruby Entitlement will end and the Eligible Member's Membership Tier will be determined in accordance with clause 4(f) based on their tenure with HCF.
    - **(d)** has their policy terminated, or ceases to be an HCF Member will no longer be eligible for access to HCF Thank You. If they reinstate their policy to an Eligible Product within 90 days of their policy being terminated or ceasing to be a member, their previous tenure will continue to accrue and they will retain their previous Membership Tier. If they re-join HCF on an Eligible Product after 90 days, their previous tenure will not be counted for assigning a Membership Tier.
    - **(e)** is granted an overseas suspension, will not continue to accrue tenure towards their HCF Thank You Membership Tier while the overseas suspension is in place.
    - **(f)** is granted unemployment and sickness, hardship or natural disaster suspension will continue to accrue tenure towards their HCF Thank You Membership Tier while the suspension is in place.
